Qualifier Format:

For a qualifier, the entry fee is \$110. For every 5 players, there is 1 qualifier.

For each group of 5 players, the organizer sends to the USBA \$350 (\$300 entry fee for the qualifier and \$10 per player for the USBA sanction fee).

The remaining \$200 is used at the discretion of the organizer (as prize money, for travel expenses, toward the entry fee of a second player, or to offset costs and expenses).

Example, with 10 players, there are 2 qualifiers. The organizer sends \$700 to the USBA (\$600 for the entry fees for the 2 qualifiers plus \$100 for sanction fees of \$10 per player). The remaining \$300 is used by the organizer.

The organizer of each qualifier will determine the tournament format, including the length of games, as well as the dress code. It is recommended that games be at least 25 points.
